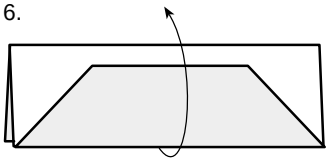
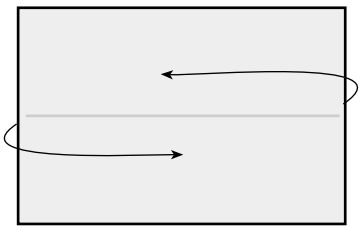
6.



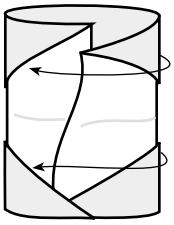
open.

7.



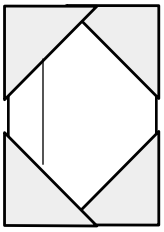
fold ends over.

8.



slip one end into tabs of opposite end.

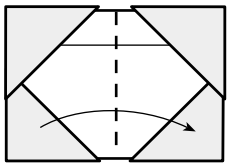
9.



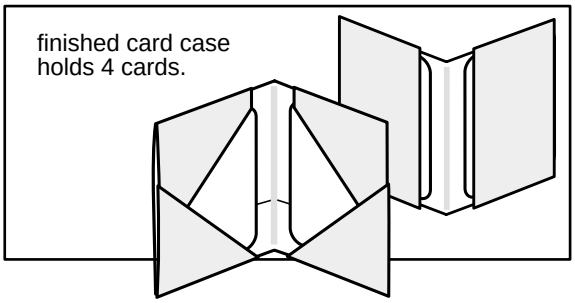
flatten into a fold.

rotate

10.



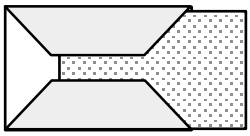
fold over to make center crease.



7.

flip over

7a.



NOTE: To line the card case with a contrasting color:

1. cut a piece of fabric the height and width of your piece in step 7. In this case, the piece will measure 8.5" by roughly 5.5" tall.
2. laminate the fabric or “glue” the two pieces together with the stiffening agent. Let dry and smooth with iron. Continue with step 8.
